We proudly present a list of orchid plants, consisting of a wide range of varieties and prices, to meet the demands of all customers interested in the culture of orchids.

We have enclosed an order form for your convenience, and should you desire to add some of our orchids to your collection, please reply early.

All orders received will receive our immediate and careful attention, and all plants will be shipped via Railway Express Collect, out of pots, unless otherwise requested.

Should you desire further information concerning any item listed, and have any problems concerning the culture of orchids, please write us. We may be able to help you.
